BILL SUMMARY:

This legislation amends the Code of Laws of South Carolina, 1976, to standardize the statutory provisions relating to specific human resources practices.

EXPLANATION OF IMPACT:

The requirements of this Bill can be accomplished within existing agency resources. Among other things the Bill addresses statutes dealing with the posting of vacant positions and allows the State Budget and Control Board - Office of Human Resources to amend or modify human resources policies, regulation and processes as necessary to accommodate implementation of the SCEIS system. The inability to modify these policies, regulations and processes could have a negative impact on SCEIS implementation costs resulting from a lack of standardization.

LOCAL GOVERNMENT IMPACT:

None.

SPECIAL NOTES:
